<b>REQUIRED COURSES</b>			
EBIO 210			
EBIO 223			
EBIO425			
SUMMER COURSE _____			
SUMMER COURSE _____			
<p>These courses taken to satisfy the minor in marine biology cannot also be counted toward either major in Ecology and Evolutionary Biology. The minor in marine biology is completed in addition to courses taken for the major in Ecology and Evolutionary Biology.</p> <p>The summer courses are pre-approved courses from a marine field station. The courses will be chosen and approved in consultation with the marine biology minor advisor before registration for the courses at the field station.</p>			
<b>TOTAL CREDITS MUST EQUAL OR EXCEED</b>			<b>16</b>
