ECOLOGY AND EVOLUTIONARY BIOLOGY
(EEBI)**

	SEMESTER COMPLETED	GRADE	CREDITS EARNED
REQUIRED COURSES			
CELL 101			
EBIO 101/111			
EBIO 308			
EBIO 304/314			
LAB/FIELD COURSE_____			
LECTURE OR LAB_____			
<p>Courses from other departments may not be used as electives for the minor. In addition, courses representing special projects, independent studies, honors theses, internship studies and seminars cannot be used to satisfy elective requirements. Because of the interdisciplinary nature of the biological chemistry major, students in this program may not minor in EEB.</p>			
TOTAL CREDITS MUST EQUAL OR EXCEED			21
